Aluminum TRQ

- **TRQ volume and tariff rate.** The aggregate annual import volume under the aluminum TRQ is set at 0.9 TMT for unwrought aluminum under 2 product categories and 11.4 TMT for semi-finished (wrought) aluminum, other than foil (HTSUS heading 7607), under 12 product categories. The import volumes for these categories will be as follows:

[REDACTED]

Despite pressure from the US business community and some Members of Congress, USTR has given no indication
