Phase2

Main Program minimum 10 startups US\$---

\* Plus US\$---

report each track to the Accelerator.

\* and may cover the following items:

- Online or hybrid (online/offline)

All startup pitches should be recorded and archived with their pitch deck after the event. The archived link should be distributed to

i.

In line with this strategy, the cabinet office has selected eight areas (Hokkaido, Sendai, Tokyo region, Nagoya region, Kansai region, Hiroshima, and Fukuoka), as Startup cities and providing startup support the programs vigorously. (<http://www.jetro.go.jp>)

#### About JETRO

JETRO is a government organization that works to promote mutual trade and investment
